

## **Chapter : 0501 Ministry of Public Sector Development**

- Creation:** The Ministry was established as per the administrative organization by law of the Ministry of Public Sector Development no. (54) for the year 2007.
- Vision :** A result- oriented and citizen-oriented government administration operates efficiently, effectively, transparently, and subject to accountability.
- Mission:** Enabling government sectors, ministries and departments to focus on their essential tasks and responsibilities and preparing and implementing policies and procedures that reflect the national priorities and the optimal usage of the financial resources, focusing on results through reviewing and building the organizational structure of the public sector, improving its services and developing its human and financial resources as per the excellency standards and mechanisms to enhance accountability, transparency, noncentralization, and participation with the private sector and civil community organizations.

### **Tasks of the Ministry / Department:**

- Prepare the general policies to manage and develop human resources in the public sector and set the necessary plans and programs for their implementation.
- Developing the organisational structure of the government administration to realize a higher degree of effectiveness, efficiency and transparency.
- Contribute to preparing training policies and strategies and building institutional capacities in the public sector.
- Prepare, update and maintain database for government institutions, departments and organizations.
- Set bases for the optimal usage of human resources, set plans and programs for their implementation and follow up the application of job description and classification.
- Prepare general policies related to procedures simplification to improve government services.

### **Ministry/Department Contribution to the Achievement of the National Objectives:**

- Reach a better government administration to realize better results.

### **Major Issues and Challenges which face the Ministry / Department:**

- The weak accountability on the level of commitment to the public sector development programs and achievement level.
- Instability of Development Corporation due to continuous change in the administrative leaders and the change in policies.
- Lack of due attention given to public sector development programs.
- Limitedness of authorities powers concerned with public sector development.
- Lack of commitment to the concepts of change and reform, and resistance to the decisions of development.

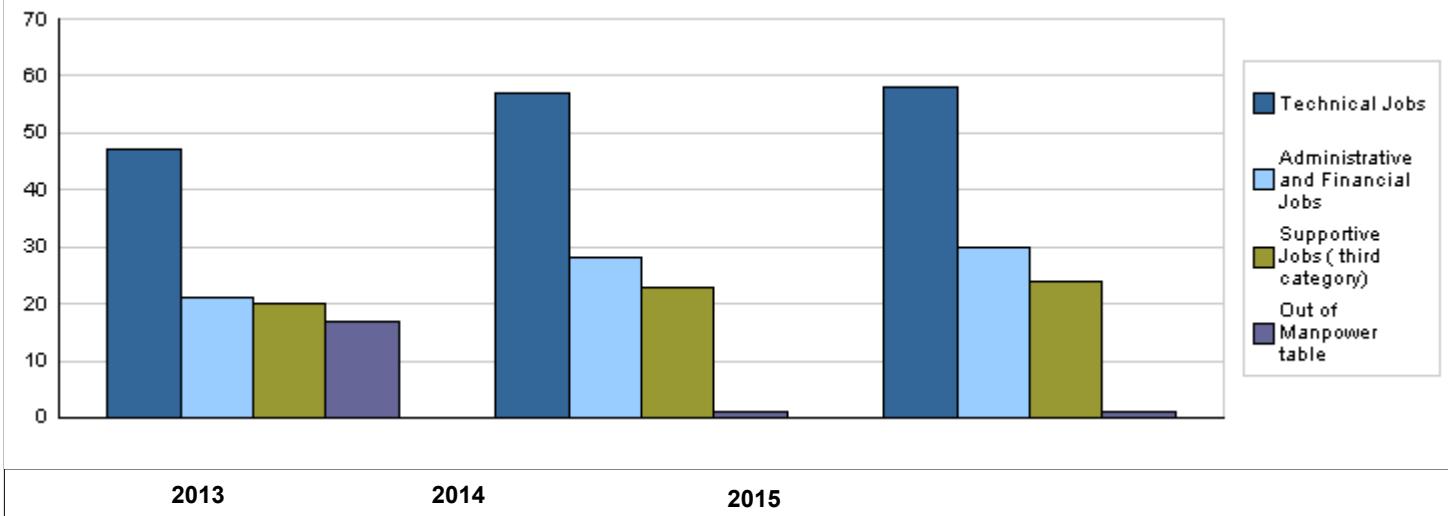

## CHAPTER : 0501 Ministry of Public Sector Development

### Strategic Objectives and Performance Indicators of the Ministry / Department
