

Chapter : 1004 Ministry of Interior/Civil Defence

Creation: The beginnings of civil defence was during the Era of the Emirate, where its work was implemented by limited civil teams working within the staff of the Municipality. In 1948 following that era and as a result of succeeding incidents and instability of the region the Defence Order no. (3) for the year 1953 was issued to form the civil defence authority. After that the civil defence law no.(12) was issued for the year 1959 and the civil defence remained affiliated with the public security directorate till the year 1970 and was separated administratively and in 1978 it was separated totally from the public security and it has a special budget. In order to keep up-to-date with the developments, the civil defence law no. (18) for the year 1999 was issued to replace the law no. (12) for the year 1959 where the civil defence services became a model for international professionalism.

Vision : Pioneers in Civil Protection and model for the inclusive civil defense.

Mission: Protecting citizens' lives and properties with high readiness to ensure the safety of the nation and citizen

Tasks of the Ministry / Department:

- Firefighting and rescue operations and emergency cases and prepare qualified individuals for these operations and aware and train citizens and ensure mechanisms and equipment and the necessary communication means and prepare studies related to civil defense.
- Provide alarm means and tools that warn from air raids and disasters and regulate and supervise them.
- Contribute to detect any chemical or radiological leakage in cooperation with entities specialized in their treatment and avoiding its effects.
- Identify protective measures and self-protection means for the purposes of granting licenses for manufacturing, storing and selling explosives, fire works, chemicals and hazardous materials.
- Make sure of the availability of protection requirements and self-protection means, alarm and fire means for commercial shops and residential and industrial occupations.

Ministry/Department Contribution to the Achievement of the National Objectives:

- Preserve Jordan and promote it as a suitable and safe place for living, work and upbringing future generations.
- Efficient and high yield infrastructure and facilities in Jordan.
- Improve and preserve the quality of environment.
- Re-structure the public sector to become more productive.

Major Issues and Challenges which face the Ministry / Department:

- The increasing financial cost of civil defence.
- Non-readiness of roads and infrastructure (first aid road).
- Non-existence of legislations binding to the official authorities to provide studies related to risks and evaluate the negative effects of the projects to be established.
- The need to modernize some laws and legislations texts.
- Not response from civil society institutions for general safety systems.
- Weak response of citizens towards preventative education programs.
- The increased burdens on civil defense due to the increased investment chances in the kingdom.
- Unregulated and careless spread of population and buildings in the Kingdom.
