

Chapter : 1503 Ministry of Finance/Customs Department

Creation: The first customs administration was established with the establishment of TransJordan and it was named public statistics and tolls directorate and its goal was statistics, inspection and collecting revenues of goods incoming to the country, and the first customs regulatory law was issued in 1926 and called (called tolls and customs law) which was modified several times until the temporary customs law no. (16) for the year 1983 was issued and as a result of the developments in Jordan, a new law was issued to replace this temporary law and it was approved as per the constitutional practices in 1998.

Vision : A more excellent customs services regionally supporting the national economy and security.

Mission: Providing excellent custom services for all stakeholders and contributing to economy stimulation and society security and protection in line with the comprehensive development requirements, and keeping in pace with the developments on both national and international levels.

Tasks of the Ministry / Department:

- _ Participate to upgrading the efficiency of national economy and promoting investment as well as enhancing the capability of national industry for competition.
- _ Facilitate the movement of travelers and commercial exchange between the Kingdom and other countries.
- _ Prevention of illegal commercial activities.
- _ Supply treasury with revenues.

Ministry/Department Contribution to the Achievement of the National Objectives:

- _ Develop the Jordanian economy to become prosper and open to regional and international markets.
- _ Enhance the government administration in order to become financially stable, transparent and subject to accountability.

Major Issues and Challenges which face the Ministry / Department:

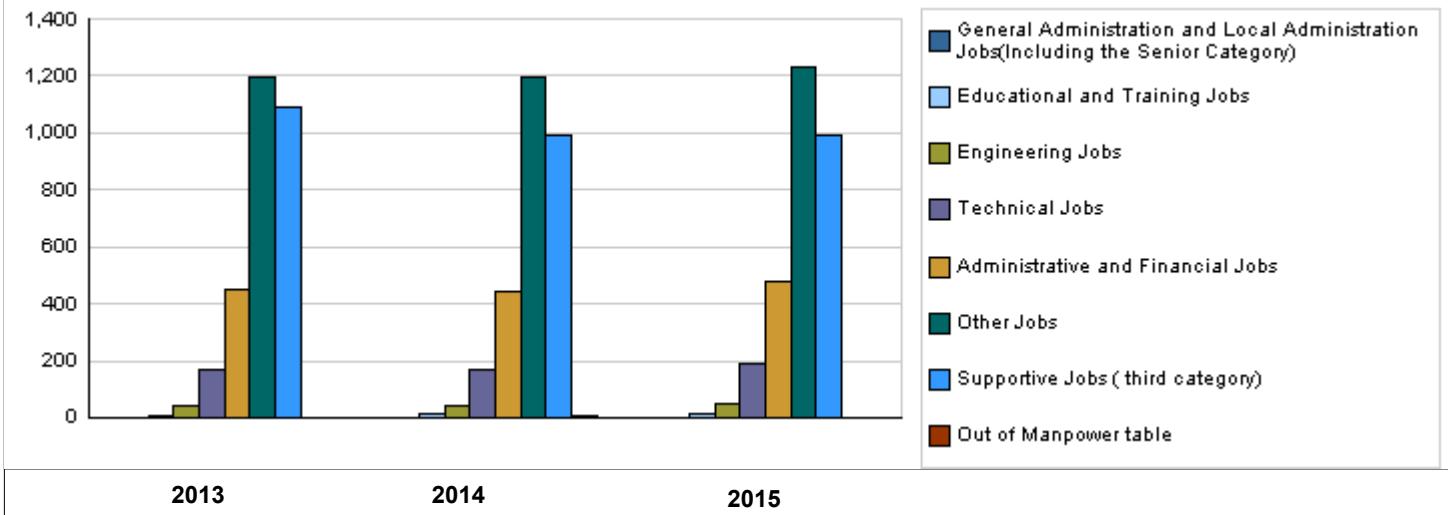

- _ Overlapping job relations with the rest of economic institutions and the state's departments and application of a number of laws and regulations.
- _ Development of smuggling means on the world level which use technological advance collectables and increased customs smuggling and commercial fraud cases.
- _ Significance of modernizing operating fleet of vehicles and heavy duty machines.
- _ Reduce customs duties in light of concluded agreements with the World Trade Organization and other international agreements and the shift of customs role to regulatory role.

Budget Chapter 1503 - Ministry of Finance/Customs Department Distributed According to the Program

2410	Anti-Smuggling (Anti-smuggling and customs accompaniment previously) Program																																																															
Objective of the program :																																																																
To combat smuggling and illegitimate commercial activities and facilitate the transit trade movement.																																																																
The strategic objective related to the program :																																																																
1- Increase the control of environmentally hazardous and harmful goods. 2- Increase the effectiveness of																																																																
Directorates associated with the program :																																																																
1- Anti-smuggling Directorate: A- Rwaished Patrols. B- Aqaba Patrols. C- Mafraq Patrols. D- Azraq Patrols. E- Ma'an Patrols. 2- Customs Accompaniment Directorate. A- Azraq Accompaniment. B- Ma'an accompaniment. C- Jaber accompaniment. D- Aqaba accompaniment.																																																																
Services provided by the program :																																																																
- Anti-smuggling of all types. - Contribute to protecting the local society security, economically and socially. - Contribute to controlling commercial activities to prevent illegitimate activities as per the applicable legislations. - Facilitate commercial traffic through transit.																																																																
Staff working in the program :																																																																
The program is implemented through a functional staff in 2014 estimated with (725) staff, including (725) males and (0) females .
