

Chapter : 1702 Ministry of Planning and International Cooperation/Department of Statistics

- Creation:** The Public Statistics Department was established in 1949, and the department is considered as one of few institutions which was established after the declaration of the Kingdom's independence in 1946.
- Vision :** A National statistical system which is efficient and effective.
- Mission:** Develop the Jordanian statistic system to produce the data which meet the several and renewed requirements as per the best practices and provide it for decision takers at suitable time and place transparently and as per appropriate timelines.

Tasks of the Ministry / Department:

- Conduct general census once every ten years maximum on the date decided by the Cabinet as per recommendation by the Minister in any of the following fields and matters:(housings,population, agriculture, industry, buildings and any other field decided by the Cabinet upon the recommendation of the Minister to conduct a census.
- Coordinate and regulate statistics through participation with the different government departments to develop administrative records in line with international methods and standards to ensure suitable timing and to meet the requirements of data users efficiently and effectively.
- Participate in interntional cooperation in the field of statistics and expertise exchange and Arab and international scientific institutions working in the field of statistics according to international requirements and standards.
- Conduct any specialized survey for any entity that requests that against an allowance defined by the director general.
- Collect, classify, store, analyze and spread the offical statistics including the surveys related to the fields of social, demographic, economic, agricultural, environmental, and cultural fields and any other fields related to society's activities and conditions as per the applicable methods, standards and techniques in this field.
- Encourage the related entities to use statistics in decision making.
- Supervise statistical training centers and prepare the necessary training plans and programs for this end and prepare special regulations.

Ministry/Department Contribution to the Achievement of the National Objectives:

- Realize the economic, social and political development through supporting decision-making process, future planning, policy making and programs preparation as well as monitoring achieved progress in the different fields of development.
- Supervise economic, social and population policies and provide the needed data and indicators.
- Follow up changes in different developmental indicators and provide decision makers with them.

Major Issues and Challenges which face the Ministry / Department:

- Existing legislations related to statistical work remains as is without development or modification especially the Public Statistics Law.
- Continuous scattered efforts and non-coordination among producers and users.
- Continuous brain drain of the competencies working in the field of statistics.
- Lack of required financing which threatens the sustainability of national statistic system development.
- Continuous weak awareness of the importance of statistical data especially between policies and decision makers.

3101	Administration and Support Services Program
-------------	--

Objective of the program :

The Administration and Supportive Services program supports the statistical program in the needed aspects which include the financial management of the allocated appropriations of the statistical program in all its components, whereas the items of projects budgets listed in the statistical program shall be followed up to ensure having no deficit in any of these items to facilitate the work in the different projects. The Administration program includes human resources affairs and the needs of the statistical program in all its projects of temporary employees to collect and prepare the different statistical activities. Also, the administrative program plays different tasks which serve in general the statistical program which represents the task of the General Statistics Department, of which is vehicles and logistic affairs such as offices and transport, etc.

The strategic objective related to the program :

To provide high quality and comprehensive statistical data on timely manner for policies makers and researchers

Directorates associated with the program :

- Financial Affairs Directorate.
- Family Surveys Directorate.
- Economic Surveys Directorate.
- Agricultural Surveys Directorate.
- Economic Statistics Directorate.
- Human Resources and Administrative Affairs Directorate.
- Internal Control Directorate.

Services provided by the program :

- Prepare the budgets of the projects.
- Provide the requirements of different programs.

Staff working in the program :

The program is implemented through a functional staff in 2014 estimated with (703) staff, including (462) males and (241) females .

3105	Statistical Program Program																																																																																				
Objective of the program :																																																																																					
The statistical program of the General Statistic Department includes a number of statistical activities which constitute a part of the department's tasks represented in collecting several data covering all population, demograohic, social, economic and agricultural aspects as well as other society aspects, and this program faces the weak statistic awareness of audience and coordination among the official authorities which produce the statistical data and non-sufficient financial appropriations which leads to the leak of experiences.																																																																																					
The strategic objective related to the program :																																																																																					
To provide high quality and comprehensive statistical data on timely manner for policies makers and researchers.																																																																																					
Directorates associated with the program :																																																																																					
1- Economic surveys. 2- Household surveys. 3- Agricultural surveys. 4- IT directorate . 5- National accounts. 6-Statistic methods and methodologies. 7- Economical statistics.																																																																																					
Services provided by the program :																																																																																					
Providing a number of statistical activities such as (study labor, poverty, and unemployment, conduct agricultural surveys, conduct economic surveys and statistics, conduct household energy survey).																																																																																					
Staff working in the program :																																																																																					
The program is implemented through a functional staff in 2014 estimated with (910) staff, including (251) males and (659) females .
