Chapter: 1803 The Jordan Museum

| Creation : | The Jordan Museum was established under Article (31) of the Law of Antiquities no.(21) for the year 1988 and amended law No. (55) for the year 2008. |
|-------------------|--|
| Vision : | A pioneer Corporation on the regional level concerned with preserving the historical and cultural legacy of Jordan and presenting it to the world in the best manner. |
| Mission : | Enabling the Jordanian people to comprehend the significance of cultural legacy which represents the national identity and the significance of preserving it for future generations, and presenting cultural and innovative contributions of Jordan throughout history for the entire world. |
| Legal Framework : | National Museum Bylaw No.(71) for the year 2003 based on Article (31) of Law of Antiquities No. (21) for the year 1988. |

Priorities and targeted results within the determined ceilings for the years 2025 - 2027 :

First Priority :

- Completing and sustaining the museum facilities institutionally and operationally.

Key procedures to achieve the first priority:

- Working on the continuity of the Jordan Museum's maintenance and sustainability programs based on the global standards associated with the museum system in terms of the stability of the museum environment and the provision of the necessary visual environment according to the global standards operating within the system of this sector.
- Working to attract professional staff and practical experience to provide the museum with it, in order to complement the institutional work system.

First Priority Outcomes :

- Promoting the capacity of the museum to respond to environmental, health and technological variables and conditions.
- Raising the capacity of museum in terms of events and activities.

First priority-related program :

- Administration and Support Services Program.
- Museum Program

Second Priority :

- Promoting and preserving the museum groups and the associated scienctific research and providing them in the best way.

Key procedures to achieve the second priority :

- Working to preserve the museum environment for archaeological and heritage collections by providing the necessary devices (moisture and thermometers) in accordance with the standards established globally within the working system of international museums, as well as inspection procedures for archaeological and heritage objects and continuously throughout the year through the competent staff of the museum.

Second Priority Outcomes :

- Promoting and improving the experience of Museum visitors of different segments.
- Completing gabs in Jordan civil story to contribute to providing integrated reliable story.
- Enhancing the museum's educational role, which contributes to raising awareness of the importance of Jordanian heritage.

Second priority-related program :

- Administration and Support Services Program.

Third Priority :

- Promoting the location of the Museum to be national tourism portal.

Key procedures to achieve the third priority :

- Working in partnership with the main partners, the Ministry of Tourism and Antiquities, the Tourism Promotion Authority and the Antiquities Department, by adding the Jordan Museum to all tourism programs and highlighting the Museum as an important tourist teacher to be visited by the tourist, and providing the Museum with artefacts suitable for the Museum display.

Third Priority Outcomes :

- Increasing the attraction of the museum for all visitors to contribute to extend tourist duration of stay in Jordan.
- Increasing the value of revenues from increasing visitor numbers to the Museum and to other sites where the Museum is a suitable gateway.
- Providing the needs of visitors to give them relief and contribute to having distinguished experience.

Third priority-related program :

- Administration and Support Services Program.

Priority of gender, youth and persons with disabilities :

- Rehabilitating the museum to address all visitors categories and accessible to persons with disabilities.

Key procedures to achieve the priority of gender, youth and persons with disabilities :

- Working to rehabilitate the museum in terms of preparing the necessary infrastructure for the reception of persons with disabilities.
- Working to qualify the museum show in a manner appropriate to persons with disabilities, in order to listen to Jordan's cultural story.

The following outcomes are expected to be achieved for the priority of gender, youth & persons with disabilities

- Enabling various groups of society to integrate into Jordan's cultural story and become part of it, especially those with disabilities.

Priority-related program of gender, youth and persons with disabilities :

- The Museum's program.

Priority of climate change :

- Promoting the Museum's operational systems to respond to climate change factors (Green Economy).

Key procedures to achieve climate change-related priority :

- Working to provide energy-efficient systems at all the museum's outdoor and indoor facilities.

The following outcomes are expected to be achieved for the priority of climate change :

- Sustaining museum operating systems.
- Appropriateness of the Museum environment for visitors in all climate conditions.
- Providing the appropriate museum environment to sustain the museum groups.

Program of climate change-related priority :

- The Museum program.

Tasks of the Ministry / Department :

- Working on becoming a comprehensive legacy center for the Kingdom's history, civilization and culture.
- Working on becoming a national archeological center for the Kingdom's historical, archeological and legacy collectibles.
- Working on becoming a developed touristic and educational tool.
- Working on becoming a center for supporting coalition in the field of antiquities and legacy.

Ministry/Department Contribution to the Achievement of the National Objectives :

- Creating an attractive investment environment capable of attracting foreign capital and encouraging domestic investments.
- Reducing unemployment rates and providing decent jobs.

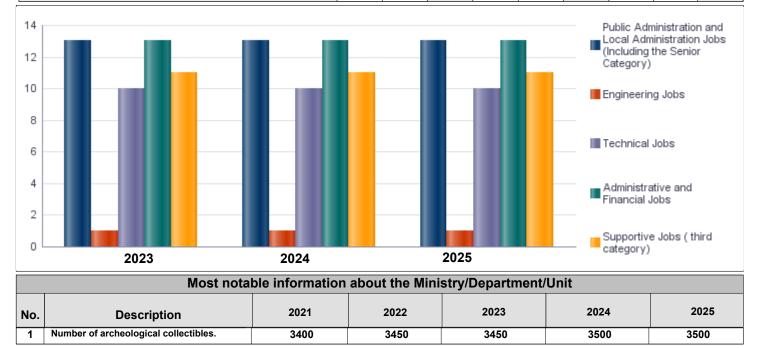

Major Issues and Challenges which face the Ministry / Department :

- Insufficient financial resources necessary for covering the basic requirements of the Museum related to the completion, development and promotion of its facilities and exhibitions properly.
- The development process of governing laws and bylaws for the Museum is not activated which is necessary to facilitate the tasks of museum with other concerned institutes and entities and this led to being unable to get any financial support from supportive entities and institutions which is considered to be a fundemental component for the museum sustainability and continuity.
- Lack of necessary qualified staffs to cover and activate all courses of work in the museum.

6261 Program Administration and Support Services

Objective of the program :

This program aims at providing required financial support to execute the Museum's various activities and prepare what is needed to implement the Museum's plans through providing support for its directorates, branches and departments to become capable of activating their tasks.

The strategic objective related to the program :

Strengthening the institutional capacities.

Directorates associated with the program :

- Administrative and Financial Affairs Directorate
- IT Directorate
- Business Development Directorate

Services provided by the program :

Providing the financial and administrative support to implement the Museum activities.

Program's main outputs and results during the years (2025 -2027):

- Operationalizing the programme's priority system in an integrated manner to achieve the associated results.
- Working to activate the digital computing system in various areas of the museum's work.
- Work to provide financial support and support to the museum's various departments so as to assist each department in achieving the minimum desired objectives

- Work to create a working environment that encourages the use of creative ideas and innovation to contribute to the development of the museum's work.

The Program's challenges :

- Failure to activate the regulations and laws governing the museum's work.

- Failure to provide specialized human cadre.

Actions to address challenges and improve services provided:

- Teamwork between departments to achieve the main objective of showing the museum the best image of the visitor.

- Work to conclude agreements with institutions related to institutional development and strengthen institutional capacity.

Gender:

- Encouraging women's participation in leadership positions such as museum management, exhibitions and community outreach to increase women's representation in senior positions.

Staff working in the program :

The program is implemented through a functional staff in 2024 estimated with (35) staff, including (26) males and (9) females .

6262 Program The Museum

Objective of the program :

This program aims at developing the museum exhibition, preserving legacy and archeological collectibles and their sustainability and safety through exhibition and storage and capability to present, exhibit and explain their content for visitors in the best way.

The strategic objective related to the program :

Presentation, maintenance and preservation of archaeological holdings.

Directorates associated with the program :

Technical Affairs Directorate

Services provided by the program :

The program provides museum presentation service of archeological and legacy collectibles.

Program's main outputs and results during the years (2025 -2027):

- Exhibiting archaeological and heritage holdings in a way that simulates the presentation methods in the world's museums.

- Developing the museum display and increasing its attractiveness, which motivates the visitor to prolong the duration of the visit by viewing the museum's most important antiquities and heritage.

- The inclusion of visitors with special needs in the community by introducing them to Jordan's story throughout the ages.

The Program's challenges :

- Lack of financial support and lack of funding.
- Not providing specialized human cadre.

Actions to address challenges and improve services provided:

- Working in partnership with the Ministry of Tourism and Antiquities and the Tourism Promotion Authority.
- Encouraging the private sector to participate in the Museum's development.
- Encouraging volunteerism at the Museum by university graduates, thereby contributing to the Museum's community service.

Staff working in the program :

The program is implemented through a functional staff in 2024 estimated with (13) staff, including (7) males and (6) females .
